## Statistics

- **Worldwide** confirmed cases surpassed 58.6 million, with a new daily record of close to 666,000 new cases reported on Friday.
- A record of 12,252 new cases was reported across the **ASEAN+3 region** on Saturday, with an additional 11,353 new cases reported yesterday.
- **Hong Kong** reported a steady increase of cases over the weekend, including 68 cases yesterday, levels last observed in August. Out of the 68 cases, only 7 were imported.
- **China** confirmed 11 new symptomatic cases yesterday, including two cases of local transmission in Shanghai.
- **Japan** reported a daily record of more than 2,500 new cases on Saturday, and 2,163 new cases yesterday.
- Daily new cases in **Indonesia** remained elevated, with almost 5,000 new cases reported on Saturday, the third-highest daily tally since the start of the pandemic.
- Cases continue to rise in many other parts of the world. The total case count passed 12 million in the **United States**, 6 million in **Brazil**, and 2 million in **Russia** over the weekend.

## News

- **Singapore** and **Hong Kong** delayed the launch of their travel bubble for two weeks after Hong Kong recorded 43 new infections, including 13 untraceable local cases on Saturday. The travel bubble was supposed to launch yesterday and would have enabled travelers to skip quarantine under certain circumstances.
- **Japan** will partially suspend its "Go-To" domestic travel campaign in areas where cases are increasing. Details will be finalized over the coming days.
- **Korea** will impose stricter social distancing measures for greater Seoul from tomorrow onwards. The greater Seoul area has been moved to Level 2 of Korea's tiered social distancing system, it's third-highest level. Gatherings of more than 100 people will be banned and restrictions on restaurants and high-risk facilities tightened.
- Social distancing measures under the so-called PSBB's transition phase in **Indonesia's** capital Jakarta will be extended for two more weeks, until December 6.
- **Singapore** has tightened its border measures for travelers from Malaysia and Japan. All travelers from the two countries will have to serve a 14-day stay-home notice at dedicated facilities. This includes travelers under existing green lane arrangements.

## Overview of Confirmed COVID-19 Cases

Data as of 22/11/2020

Notes: New cases since previous day. Δ% refers to percentage change since previous day. Fatality rate measured as deaths per confirmed infections.

<sup>1/</sup> Since January 31, 2020.

<sup>2/</sup> Resolved cases (i.e. non-active cases) to total cases; serves as a proxy for the stage of the cycle.
