Statistics

- More than 1 million cases have been confirmed in total across the **ASEAN+3 region**.
- **Hong Kong** reported no new cases yesterday, the first time since mid-July.
- **Indonesia** confirmed more than 4,000 new cases and 129 new deaths.
- The **Philippines** reported less than 1,900 cases for the second straight day for the first time since end-July.
- **Myanmar's** new cases continue to fall, with 888 new cases reported yesterday. It is the first daily tally below 1,000 new cases in nine days.
- The second wave across Europe continues to spread. Both **Germany** and **Italy** reported a record of more than 7,000 new cases yesterday, surpassing their respective previous daily records set in March.

News

- **China** and the **Philippines** have agreed to set up a fast-track lane for urgently needed personnel exchanges. The fast lane will help the movement of personnel involved in business and trade, infrastructure, logistics, production and technical services, with due safeguards in place.
- **Singapore** and **Hong Kong** have reportedly reached a preliminary agreement on a travel bubble which could include leisure travel. No details have been announced yet, but the agreement might start later this year.
- To contain its second wave, **France** has declared a public health state of emergency and implemented a curfew from 9pm to 6am in several cities, starting on Saturday.
- In **Germany**, tighter measures have been announced in hard-hit regions, including the closure of bars and restaurants past 11pm, restricting social gatherings, and extending the use of mask.

COVID Monitor

Overview of Confirmed COVID-19 Cases

Data as of 14/10/2020

Notes: New cases since previous day. Δ% refers to percentage change since previous day. Fatality rate measured as deaths per confirmed infections.
1/ Since January 31, 2020.
2/ Resolved cases (i.e. non-active cases) to total cases; serves as a proxy for the stage of the cycle.
