Starting today, short-term visitors from both sources may apply for an Air Travel Pass to seek entry into Singapore. This follows similar arrangements with Brunei Darussalam and New Zealand.
- Despite the high level of daily new cases, **India's** federal government today allowed states to reopen schools and other educational institutions in a phased manner beginning the 15<sup>th</sup> of October. It also issued guidelines allowing cinemas and movie theatres to reopen by the same date, although these must operate at 50 percent capacity.
