Statistics

- **Worldwide** confirmed cases stood at 31.8 million as yesterday. Total deaths have surpassed 975,000.
- Across the **ASEAN+3 region**, around 8,700 new infections were reported, higher than the previous day's tally.
- **Myanmar** continues to see daily new infections at triple digits. New cases yesterday reached at least 300, bringing total confirmed cases to around 7,300. The death toll also increased to 130 after 14 more deaths were recorded.
- Daily new infections in **China** fell slightly to 7 yesterday, lower than the previous day's figure of 10 cases. All of the new reported infections were imported.
- **Korea** saw 125 new infections yesterday, higher than the previous day's tally, and the second consecutive day of increase. Total confirmed cases stood above 23,300.
- **Indonesia** reported a record-high increase in its daily new cases yesterday, after at least 4,400 new infections were found. 140 fatalities were also reported, bringing its total death count to nearly 9,980. Confirmed cases stood at almost 258,000.

News

- **Japan** is reportedly starting preparations to accept foreign athletes competing in the Tokyo Summer Olympics scheduled for July 2021. Officials from the government, the Japanese Olympic Committee, and host city Tokyo met yesterday to discuss rules for incoming athletes, including immigration control and testing. Japan is reportedly planning to waive the quarantine requirement for athletes to allow them more time to train and prepare.
- **US** multinational Johnson & Johnson announced that it has entered the final stage of a 60,000-person trial for its experimental single-dose vaccine. If effective, the single-dose vaccine can ease the distribution of doses, especially compared to other potential vaccines that require two shots.
- **Singapore** is piloting a new business travel pass for senior executives who have regional or intraregional responsibilities that require them to travel regularly. Travellers on this special pass need to adhere to a strict itinerary. Upon return, they must take a COVID-19 test and self-isolate until the results are released, or be served a Stay-Home notice.
- **Vietnam's** flag carrier, Vietnam Airlines, yesterday opened bookings for its Seoul-Hanoi route. This inbound flight is its first official scheduled commercial flight, and will depart from **Korea** on September 25. Passengers are required to meet several requirements, which include presenting a negative test result, completion of medical reports, as well as installation of a tracing app in their mobile phones.
