Statistics

- Close to 275,800 new cases were reported **worldwide** yesterday, for a total of almost 24.5 million.
- **Indonesia** reported its biggest daily increase with 2,719 new cases, bringing the total to almost 162,900 cases. More than 7,000 deaths have been recorded so far.
- With 22 new cases, **Myanmar** has reported a double digit increase for four straight days, though considerably lower than the previous day. 602 cases have been confirmed in total.
- **China** confirmed nine new cases, all imported, for 12 consecutive days without local transmission.

News

- **Korea** has extended its Level 2 social distancing measures in Seoul and surrounding areas for another week. In addition, new restrictions on business hours of restaurants and cafes will be added.
- In **Japan**, the Tokyo metropolitan government has decided to extend a request for establishments serving alcohol and for karaoke venues to shorten their business hours until September 15.
- In **Indonesia**, social distancing measures in Jakarta were extended from August 28 to September 10. The so-called transition phase, under which non-essential businesses and worship places are allowed to reopen at reduced capacity, was implemented on June 5 following the large-scale social restrictions and has been extended several times.
