Global Coronavirus Cases	ASEAN+3 Coronavirus Cases	Plus-3 Coronavirus Cases	ASEAN Coronavirus Cases
22,678,483 Total Cases	561,896 Total Cases	166,091 Total Cases	395,805 Total Cases
14,541,573 Recovered Cases (64.1%)	424,190 Recovered Cases (75.5%)	142,847 Recovered Cases (86.0%)	281,343 Recovered Cases (71.1%)
793,698 Deaths (3.5%)	15,721 Deaths (2.8%)	6,175 Deaths (3.7%)	9,546 Deaths (2.4%)
7,343,212 Active Cases (32.4%)	121,985 Active Cases (21.7%)	17,069 Active Cases (10.3%)	104,916 Active Cases (26.5%)

Statistics

- **Worldwide** confirmed cases reached 22.7 million yesterday, with at least 793,000 deaths.
- The **ASEAN+3 region** yesterday recorded more than 8,100 new infections.
- **Japan** saw more than 1,100 additional cases across the country yesterday, bringing its total confirmed cases close to 60,000. Tokyo accounted for 339 new infections, while Osaka prefecture, which exceeded Tokyo's daily tally yesterday, saw less than 150 new cases.
- New cases in **Korea** increased to 324 yesterday, up from the previous day's tally, and the highest single-day spike since early March. Total confirmed cases stood around 16,600.
- Total confirmed cases in **the Philippines** surpassed the 178-thousand mark yesterday, after the country saw more than 4,200 new infections. More than 80 people died yesterday, bringing the national death toll to nearly 2,900.
- More than 2,200 new cases were recorded in Indonesia yesterday, bringing the country's total confirmed cases to at least 147,000. Fatalities increased to at least 6,400, the highest in the ASEAN+3 region, after 72 more people died.
- **Vietnam's** total confirmed cases surpassed 1,000 yesterday, after it saw at least 13 new infections. Of the new cases, two were imported. Authorities have linked more than half of total confirmed cases to the city of Danang.
- **New Zealand** saw 11 additional infections yesterday, of which nine appear to be locally transmitted. This brought the country's total infections to 1,315.

News

- **New Zealand** has deferred the decision to ease its current lockdown rules in Auckland to next week instead of today. The prime minister indicated that restrictions will be reviewed this coming Monday to see whether alert levels will be relaxed.
- **China** National Biotec Group, a subsidiary of Sinopharm, yesterday said that authorities from **Peru and Morocco** have approved phase 3 clinical trials for its COVID-19 vaccine candidate. Phase 3 trials for the experimental vaccine is currently ongoing in the **United Arab Emirates**, involving 15,000 volunteers.
- American multinational **Johnson & Johnson** is targeting this September for late-stage trials of its experimental COVID-19 vaccine. Trials would be conducted across the **United States**, as well as in other countries, such as **Brazil and Mexico**.
- **China's** Sinovac Biotech and **Indonesia's** PT Bio Farma yesterday signed a deal that will supply Indonesia up to 40 million doses of the vaccine they are jointly developing. The drug's supply is expected to commence from November this year to March 2021.

Overview of Confirmed COVID-19 Cases

Data as of 20/8/2020

Source: Haver Analytics, sourced from John Hopkins University; AMRO staff calculations.

Notes: New cases since previous day. Δ% refers to percentage change since previous day. Fatality rate measured as deaths per confirmed infections.

1/ Since January 31, 2020.

2/ Recovery rate is a proxy for the stage of the cycle.
