ACCOMPLISHMENTS IN 2018

Building Resilience through Collective Actions

MISSION

To contribute to macroeconomic and financial stability of the region through conducting macroeconomic surveillance and supporting the implementation of the regional financial arrangement.

VISION

To be an independent, credible and professional regional organization acting as a trusted policy advisor to members in the ASEAN+3 region.

SAFEGUARDING REGIONAL STABILITY THROUGH QUALITY SURVEILLANCE

Strengthened country surveillance: making frequent visits to member economies, enhancing engagement with stakeholders, stipulating procedures and guidelines

Identified and assessed emerging global and regional risks, as well as spillovers from trade protectionism and tightening global financial conditions

Started incorporating Economic Review and Policy Dialogue (ERPD) Matrix in surveillance

Engaged in in-depth analytical studies and rigorous research related to key policy issues

Devised new toolkits: country risk map, business cycle, Taylor rule, Financial Stress Index

PROVIDING EFFECTIVE SUPPORT TO REINFORCE THE REGIONAL FINANCIAL ARRANGEMENT

Supported members to complete the 1st Chiang Mai Initiative Multilateralisation (CMIM) Periodic Review

Supported members in improving the Operational Guidelines for Enhancing Effectiveness of the CMIM

Assisted the establishment of CMIM Conditionality Framework for members to implement appropriate policies to safeguard CMIM's financial resources

Facilitated the 9th Test-Run for CMIM activation with involvement of the IMF

Enhanced the ERPD Matrix

Provided intellectual support on the future direction of the CMIM

FOSTERING REGIONAL CAPACITY DEVELOPMENT

Continued implementing the Secondment Program that provides on-the-job training for officials from member authorities: 15 secondees

Implemented 2 consultancy projects upon members' request to enhance members' surveillance capacities

Conducted 2 research collaboration projects to enhance AMRO's research capabilities and expanded AMRO's network through collaboration

Organized training and conferences tailored to the needs of members

ENHANCING ORGANIZATIONAL EFFECTIVENESS

Developed the Performance Evaluation Framework (PEF) to provide results-based assessments and recommendations on organizational effectiveness

Developed several institutional policies: Communications Policy, Partnership Policy, Policy on Document Exchange with other International Organizations

Enhanced diversity: Staff from 12 countries + 40% female staff

Deepened engagement with member authorities

Broadened ties with peer institutions

DEVELOPING COLLABORATIVE PARTNERSHIPS AND EXPANDING OUTREACH

Increased AMRO's voice and visibility
